Forward-Looking Statements

This press release may contain forward-looking statements, express or implied, regarding future rates of cash dividends. While the Company expects to continue to pay dividends in the future, the declaration of any future dividends or dividends at any particular rate is subject to the discretion of the Board of Directors and will depend on our financial condition, results of operations, capital requirements, business conditions and other factors, as well as a determination by the Board of Directors that dividends are in the best interests of our stockholders. Additional factors that could cause actual results to differ materially from those expressed or implied by such statements are described in our SEC filings, including our recent Forms 10-K, 10-Q and 8-K. All forward-looking statements are based on management's current estimates, projections and assumptions, and we assume no obligation to update them.
